1. **You/they** were travelling against the advice of a **medical practitioner** or in order to get medical treatment abroad.
2. **You/they** have been diagnosed as having a terminal illness.
3. **You/they** are on a waiting list for surgery, treatment or investigation at a hospital or are awaiting the results of hospital tests or investigations.

If there is any change in a person's health between the date the policy is issued and the start date of a **trip you** must still comply with the important conditions relating to health. If **you** are unsure please notify Voyager Insurance on **01483 806 816** immediately.

24 HR MEDICAL EMERGENCY AND REPATRIATION SERVICE

The nominated emergency service referred to in this policy is operated by **Healix International**:

Phone: +44 (0)203 819 7170

E-mail: internationalhealthcare@healix.com

Our nominated emergency service will advise and assist **you** should **you** be injured in an **accident** or fall ill. **Our** nominated emergency service will also arrange transport to **your home country** when this is considered to be medically necessary. **You** must contact them if **you** are admitted to hospital or wish to return **home** by any means other than originally booked or require treatment that will cost more than £500 (or the equivalent in local currency).

In the case of a medical emergency please contact **our** nominated emergency service, **Healix International**, on

Phone: +44 (0)203 819 7170

E-mail: internationalhealthcare@healix.com.

They are open 24 hours a day, 7 days a week, 365 days a year.

Your travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by **our** nominated emergency service.

This policy is only designed to cover **you** for emergency treatment. Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **our** nominated emergency service cannot be delayed until **you** return to the United Kingdom, Channel Islands or Isle of Man and could be undertaken in the United Kingdom, Channel Islands or Isle of Man if **you** were to return **home**. The decision of **our** nominated emergency service is final.

An acute condition means: A disease, illness or injury that is likely to respond quickly to treatment which aims to return **you** to the state of health **you** were in immediately before suffering the disease, illness or injury, or which leads to **your** full recovery.

Payment for medical treatment abroad

This is not a private medical insurance. If **you** go into hospital abroad and **you** are likely to be kept as an in-patient for more than twenty four (24) hours or if **your** outpatient treatment is likely to cost more than £500, someone must contact **our** nominated emergency service for **you** as soon as reasonably possible. If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** in-patient or outpatient treatment.

In the event that **you** require in-patient hospital treatment and/or evacuation /repatriation, it is imperative that **our** nominated emergency service is contacted and authorisation obtained prior to such treatment and/or evacuation/repatriation taking place. Failure to contact **our** nominated emergency service and obtain authorisation may prejudice the claim and could mean that some or all of the costs involved may not be paid. **You** should not attempt to find **your** own solution and then expect full reimbursement from **us** without prior approval first having been obtained from **our** nominated emergency service.

If **you** have to return to the United Kingdom, Channel Islands or Isle of Man under section - 1 **curtailment** or section - 2 emergency medical expenses **our** nominated emergency service must authorise this. If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** return to the United Kingdom, Channel Islands or Isle of Man.

SPECIAL NOTICE

Foreign, Commonwealth & Development Office (FCDO) Advice

This insurance policy will not cover **you** to travel to a specific country or to an area where, prior to **your trip** commencing, the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel. This exclusion does not apply where **your** destination is within **Europe** and where

the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel solely due to the **Coronavirus** risk. It is **your** responsibility to check the latest advice from the FCDO prior to commencing **your trip**, which **you** can find at <https://www.gov.uk/foreign-travel-advice>.

Claims arising from alcohol

We do not expect **you** to avoid alcohol during **your trip**, but **we** will not cover any claim arising from excessive alcohol consumption by which **we** mean where **you** have drunk so much alcohol that a **medical practitioner** has stated that **your** alcohol consumption has caused or actively contributed to **your** injury or illness, the results of a blood test at the time of injury or illness shows that **your** blood alcohol level exceeds 0.19% that is approximately 1.5 litres of beer or four 175ml glasses of wine; a witness report of a third party that has advised that **you** have notably impaired **your** faculties and/or judgement. Please refer to general exclusions 11, 12 and 13 on page 21.

Claims for reimbursement of costs

This insurance policy will only respond to claims for **irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example transport and accommodation costs – **You** should, in the first instance, contact **your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.

IMPORTANT INFORMATION

We draw **your** attention to the exclusions detailed in the 'General Exclusions' section, in particular, exclusions 36 and 37, as this policy will NOT provide cover for any claims directly or indirectly related to a **pandemic** and/or **epidemic**, including but not limited to **Coronavirus**.

Please note: general exclusion 36 applies to all sections of cover, whilst general exclusion 37 applies to all sections of cover with the exception of section - 1 cancellation or **curtailment** and section 2 - emergency medical expenses provided that **you** have received the recommended number of doses of an approved **Coronavirus** vaccine 14 days prior to **your trip** commencing. This vaccination requirement shall not apply where **you** were ineligible for vaccination, or unable to receive the vaccine for medical reasons, and this is shown in **your** medical records. **You** should also refer to general exclusion 3.

Please be aware: There is no cover under this policy if (having no symptoms of or **you** not testing positive for **Coronavirus**) **you** are advised to quarantine or **you** choose to self-isolate due to a person **you** have come into contact with testing positive for **Coronavirus**.

RECIPROCAL HEALTH AGREEMENTS

EU, EEA or Switzerland

If **you** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland and **you** possess a European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC) then this must be used. **You** can apply for a GHIC online at www.nhs.uk/using-the-nhs/healthcareabroad/apply-for-a-free-uk-global-health-insurance-card-ghic/. This will give **you** the right to access state provided healthcare during a temporary stay in the European Union. Please note that a GHIC does not replace travel insurance. In the event of liability being accepted for a medical expenses claim which has been reduced by the use of a EHIC or GHIC **we** will not apply the deduction of excess under section 2 - emergency medical expenses.

Australia or New Zealand

If **you** require medical treatment in Australia **you** must enrol with a local MEDICARE office. **You** do not need to enrol on arrival but **you** must do this after the first occasion **you** receive treatment. Inpatient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website on www.humanservices.gov.au/medicare or by emailing medicare@humanservices.gov.au.

If **you** require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the **medical practitioner** has decided the condition needs prompt attention. For more information, please go to www.health.govt.nz or email info@health.govt.nz. Alternatively please call **our** nominated emergency service for guidance.

If **you** are admitted to hospital contact must be made with **our** nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE or a Primary Health Organisation (PHO).

PERIOD OF INSURANCE

If **you** have paid the appropriate annual multi-trip travel insurance premium and **you** are under 70 years old, the overall period of insurance shall start from 1st December 2021 and shall expire on 30th November 2022. This insurance then covers an unlimited number of holiday/leisure trips starting within that period, except that no cover exists at all for a **trip** if it is intended to be for longer than 60 days (unless agreed by **us** and confirmed in writing).

Wintersports are covered up to a total of 17 days in each period of insurance provided **you** are aged under 65.

Except as stated below, cover for each separate **trip** under this insurance starts when **you** leave **your home** or place of business in **your home country** at the start of **your trip** and finishes as soon as **you** return to **your home** or place of business in **your home country** for any reason.

For cancellation only (section 1), cover starts from 1st December 2021 or the date **you** book **your trip**, whichever is the later.

personal money (section 9) will be covered from the time of collection but not more than 72 hours before **you** travel.

If **you** are going on a one-way **trip** all cover will finish 48 hours after **your** arrival in the country of final destination. If **your** return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

TERRITORIAL LIMITS

IMPORTANT FEATURES

We would like to draw your attention to some important features of your insurance including:

1. Insurance document

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so you should familiarise yourself with this particular insurance.

2. Conditions and exclusions

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

3. Health

This insurance contains restrictions regarding conditions relating to the health of the people travelling. You are advised to read the document carefully.

4. Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. Allowance will be made for their age and likely condition.

5. Limits

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

6. Excesses

Under some sections of this insurance, claims will be subject to an excess. This means you will be responsible for paying the first part of the claim under each applicable section.

7. Reasonable care

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured. Any amounts the insurers will pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the wording.

8. Sports & activities

You may not be insured if you are going to take part in certain sports or activities where there is a generally recognised risk of injury. Please check that this insurance covers you, by referring to the list of sports & activities on page 16–19.

9. Residency

This policy is only available if you are permanently resident in the United Kingdom, Channel Islands or Isle of Man and registered with a medical practitioner in your home country.

10. Customer service

We always try to provide a high level of service. However if you think we have not lived up to your expectations, please refer to the complaints procedure.

11. Fraudulent claims

It is a criminal offence to make a fraudulent claim.
